# Greetings from the Board.....

## By Michael Lemme, Board President

There's a lot of exciting news to talk about in this issue of the Clock Tower Times!

Lucky me gets to drive up to Billings this week during peak fall colors to attend our real estate closing of none other than.....KOZY NOOK !!! We have been talking about purchasing Kozy Nook for over 10 years now, ever since the owner Mary Kay Binder and Uncle Ralph worked out a Right of First Refusal deal when they were first thinking about selling. It was Mary Kay's parents who opened up Camp Wyoda and when the family sold this to the Aloha Foundation who then changed the name to Camp Horizons, they annexed off Kozy Nook and kept it as their private cottage. The Board felt it was in the best interest of Camp Billings to acquire this property as it is the last piece of land that is connected directly to our campus.

At our upcoming 110th Reunion this summer, make sure to take the grand house tour of Kozy Nook and write down your ideas of how you think Billings can best utilize this property!

There's already been all sorts of ideas like a new Alumni Center with an outdoor amphitheater including a floating dock extending all the way out to the beautiful lily pond!

Next, the construction has begun on replacing all of the bathrooms and shower facilities on campus, and our contractor Trumbull-Nelson of Hanover, New Hampshire is off to a great start.

So PLEASE make your plans now to attend camp's 110th Anniversary Reunion. It is always fun to reconnect with old camp friends, and there will be a lot of wonderful improvements to see!

I promised Jas I'd include the names of 5 alumni that I hope to see at the reunion....Lari Jane Bowman Taylor Rumpp "LJBTR", Cronan Neuffer, Chuck Finn, Elizabeth Smock Garvey and the entire Haye's-Days Clan ( and also my Mother Virginia Nelson, and sisters Sue and Pam!!!)

Have a great and colorful fall,  
Your President and fellow Alumni,

Michael

## Billings Summers Matter.....and So Does the 110th Anniversary Celebration Next June!

By Bob Green, Camp Director

The summer of 2015 may be over, but it will never be forgotten. At Billings, EVERY summer matters, because each one takes on its own unique identity, with magical moments and very special people who create a piece of history each season.

This was The Summer of John. Ace Hypnotist (twice). Undefeated soccer at Lochearn. 29 of 33 Senior Counselors who have been with us before. Tubeapalooza. Birthday Day. Sean and Anne's Wedding. Marianne the CIT Director. The ACA. Hunger Games. You Guys Are Pretty Cool. Billings Glee. Deez Notes. Poor Little Charles. Jamaican International Night. Are you a Silly Goose? Harry Potter Day. NITs. NART. Diversion. Shrek. Baxter. The first camper to win the Race Around the Lake. Swim Meets. Pranks at Colors. Staff Insanity. Connor's Sanity. Happy Days Are Here Again. Christmas Snowman. Goats on campus. I like to bowl with my best friend Burt. Openfest. Hatchet Mary Halloween. Camp of Rock. Live band at 6:45 am. The Ohio State University Marching Band. You ain't seen my bump and grind. The best group of CITs we have ever had. A senior staff who grew up at Billings and mean the world to me. And of course....Dudley.

Now we look ahead to the 110th consecutive summer of Camp Billings Operation, and our Anniversary Celebration next June 17-19th! Let me offer up a couple of good reasons why you should make plans to come home to Billings next summer: some people have their school, college or university that provides them with a special and valued connection; others have their church or synagogue. You may have a community organization or club that means a great deal to you. But for many of us, there are no ties that are more meaningful than the ones we have developed with Camp Billings. We grew up here. Many of the "firsts" in our lives happened at camp. Our friendships we developed are lifelong and unbreakable. And next summer's celebration presents us with a unique opportunity to renew our association, re-kindle our friendships, and joyously express our passion for this small piece of land on a beautiful lake in Central Vermont that has profoundly changed the lives of thousands over the past 110 years. It's time to come home.....and I look forward to welcoming you back next June.

The SIX groups of people Bob Green would like to see back at the 110<sup>th</sup> Anniversary Celebration

1. Bruce Ostrander, Mark Powers, Jay Shortsleeves
2. Michael Hayes (from Chicago), Ferd Connors, James D'Amico and all of his ex-girlfriends.
3. Anyone who got kicked out of camp within the past fifteen years (even Thomas Anglehart!)
4. All first year CITs who were rejected from the second year program (because you are ALWAYS welcome home)
5. All the Mudgetts and everyone who came to Billings from Arizona.
6. The International Staff of the past fifteen years especially German Dan and his baby.

# Summer 2015 Highlights

## Top three events or days at camp this summer

1. **Country Fair**, as always! This year's theme was 'Camp of Rock', and the big break was a rock band performing live at 7:30am!!
2. **Shrek** - the musical! A fantastic production that showcased so many of our talented campers.
3. **4th July** - Marklar was back with another alien invasion... an all-day color war topped up with our annual 4th July fair with root beer floats, games and a big dance party at the end.

## Top Four Program Areas:

1. **Music!** So many campers learnt to play the guitar, performed for campfires and talent shows, and learned music production on the 'Beat Lab'
2. **Paddleboarding** - our Yolo Yaks remain the most popular equipment at camp!
3. **Athletics**... specifically games against other camps. We had more games than ever before, including multiple trips to Lochearn to play soccer.
4. **Motorboating** - Since the arrival of the new boat, the program has enjoyed a huge surge in popularity - almost to the height of the nineties!

## Popular songs heard in cabins

1. **Shut up and dance** (by Walk The Moon)
2. **Uptown Funk** (by Mark Ronson Ft Bruno Mars)
3. **Cheerleader** (by OMI)

# Tribute to Arlene Sylvester

Arlene Wishart Sylvester on her last visit to camp for the 100<sup>th</sup> Anniversary. She had such a wonderful time visiting and seeing camp at its best!

## ARLENE WISHART SYLVESTER 1918 – 2015

We note with regret the passing of Arlene Wishart Sylvester earlier this year. She was one of the **Grand Old Ladies of Camp Billings** – ladies who started as campers, remained as staff, and then as adults maintained lifelong friendships with Dad and Mother Hurd and devoted unstinting efforts to the Camp's welfare. Her lifespan thus includes nearly all of Camp Billings total history.

Mrs. Sylvester's father was on the Board of Directors in the early years and her two older sisters also attended for many years. In 1927 Mrs. Sylvester, known to all as Arlene, was one of the youngest campers at Billings. Arlene loved tennis and annually worked her way up the tennis ladder. In the 1930s she was a counselor and swim instructor on the waterfront, and enjoyed being under the tutelage of Dad Hurd. During years on staff and then as an adult, she became a close personal friend of Dad and Mother Hurd, going with them to their son Alan's graduation from medical school at McGill.

In 1959 she was one of the first few women to join the Board of Directors. She became President of the Board in 1976 and held many other positions until leaving in the early 90s after approximately 32 years on the Board of Directors. Her own children and grand children have attended camp and her beneficial influence thus extends far into the future.

KEEPING THE SECRET ALIVE FOR 110 YEARS

It's time to pull out your Camp Billings t-shirts, dust off your trunk, and sign up for the

## 110<sup>th</sup> Reunion!

Former campers, former staff, parents of campers and long-time Billings supporters, you are all part of the family and we are calling you home! No matter how many years you've been away, it's time to sign up for the reunion. Come back to the place where you always belong! Here are the different ways to participate:

### Stay At Camp:

For the most authentic camp experience, you will want to stay in one of the fine Billings cabins. Hear the gentle lapping sounds of Lake Fairlee as you fall asleep in your bunk and awake early to the sound of the bugle. Spend the entire weekend immersed in the sights and sounds and smells of summer at the camp we all love so well!

### Stay Nearby:

If you have reached the point in your life where you desire a little more in the way of creature comforts, or if your young babies need a quiet place to sleep, you may make your own arrangements for overnight accommodations, while spending the rest of the weekend at Billings. This includes access to all reunion activities and meals except breakfast.

### Saturday only:

Arrive any time after breakfast and stay through the campfire and fireworks, if you like. See scheduled activities above. The reunion ceremony will start at 4 pm. Lunch and dinner are included.

**Fi McArdle (2009)** moved to Boston at the end of August to study a Master of Music (in opera) at the New England conservatory. She's now living the New England life - even ran into **Tyler Gardner, Sean & Anne Collins** and **Hannah Robinson** at a Red Sox game. **Brian Kaufman (2000s)** recently got his Master of Education degree. He is the Theatre Director and Forensics coach at Ravenwood High School in Brentwood, TN. The play he directed last year was *Noises Off*, which won best play in the state of Tennessee and they performed at the State Theatre Conference. He is also coaching the #1 speech and debate team in his state and was named coach of the year in 2015. He still bleeds blue and orange. Let's Go Mets! **Emily Mecke ('00-'08)** is currently living in Sacramento, California and working as a biologist at an environmental consulting firm. **Alexandra Levinsky ('03-'09)** graduated in May of 2015 and got an awesome job working for the Appalachian Mountain Club in the White Mountain national forest for their

professional trail crew. She loves it up there and moved to North Conway. In seasons other than summer, she is a rock and ice-climbing guide. **Adrian Doyle ('99, '05- '06 '08)** has been living in Santa Monica for 4 years with his girlfriend. He is the 'Interim' Director of Study Abroad at Loyola Marymount University. He adopted a stray dog from the Compton streets a year ago. He will try his best to make it to the CB 2016 reunion! **Ryan McArdle ('05 '06 '09-10)** is living in Adelaide studying to be a high school teacher (he's almost done!) He's also working at a cafe/gin bar/comedy club to pay the bills and attends Billings weddings when he can (**Congrats to Sean and Anne Collins;**) **Nick Graham ('97-'07)** graduated from university in 2010 and has been living abroad in Italy; in Rome and in Tuscany. In 2012 he discovered companies who led tours through the countryside on bicycles and naturally applied to all the agencies. While he was waiting to hear back, he studied all that he could about Italian history, wine, and culture. He finally got the job, showed up in Tuscany and started leading these week-long trips that focus heavily on food, wine and of course cycling. Nick now leads tours all over Italy and some parts of France. Each year he arrives in Europe in early April and works until November. He spends the other months in Boston working in the office of the tour company. He is still waiting for someone from CB to sign up for a tour (cough\* **Tyler** cough\*). Nick says he hopes to have the chance to visit our Dear Old Camp, but that for now, he'll have to settle for Emperor Bob's Facebook posts and reading the *Clock Tower Times*. **Kelsi Barry ('99-'08)** works and lives in San Francisco, as a logistical analysis for the life style company Restoration Hardware. She has her BA in International Relations from San Francisco State University. Her sister **Maggie Barry** just finished up two years in the Peace Corps based in Botswana. **Joe Picarello ('00-'05)** currently lives in Brooklyn and works for cablevision. Joe has great news to share; he and high school sweetheart Josephine Gargano recently got engaged. An August 2017 wedding is in the works. Congrats! The happy couple is looking forward to their future and having their children attend the greatest place on earth. Joe hopes to visit CB soon and says he misses Billings every summer. **Cris Cafiero ('04- '11)** recently graduated in the class of 2015 from Santa Clara University in the Bay Area of Northern California with an Economics and International Business degree. He is working and living in San Francisco doing sales for a company called Zenefits. This former camp bugler looks forward to the 110<sup>th</sup> reunion next summer! **Marielle Borchert ('84 & '87)** was an international counselor from Germany. She writes "Hi guys! It's a LONG time now - but every summer I have to think back on my months spent on the banks of Lake Fairlee in 1984 (Los Angeles Olympics... a TV in the dining hall!!!) and 1987 (I took part in the around-the-lake-marathon - and was SO proud I made it...) At the time I was a student at Munich university - Now I have been a teacher for English and German for about 25 years (incredible...) We have been living in the black forest (in the southwest of Germany) for almost 20 years ago, a really beautiful area - and, actually, quite a bit like Vermont! Lots of hills, pine trees - and even some lakes with sailboats on them... My daughter, who is 18 now, is thinking of maybe applying as a counselor for next summer... If she really does, I must come and see what camp is like now.

**Sophie Lussier ('76-'79)** was a Canadian Camper and CIT and now lives in the South of France where she works, and is married with 2 kids. **Pete Engle ('74-'83)** remembers "Larry Drew's son was my first camp counselor. I live in San Francisco and have 2 children (Emily age 29 and Kate age 27) **Liz Cerasuolo ('86-'90)** is living in Westford, MA with her family and would love to reconnect with her

Billings friends! **Sarah Biello (Balkcom) ('95-'06)** says "I'm a nationally certified sign language interpreter in Washington, DC. I married my husband, Christopher Biello, in 2014. He is a captain in the Marine Corp!" **Allie Brock ('83-'91)** is doing well in North Eastern PA with 5 kids! Max 13, Katie 12, Ella 10, Lily 7, Michael 5. Missing Camp every summer!! Best wishes to everyone!! **Ryan Burhans ('90-'11)** writes that "Barring a parole hearing I should be released on good behavior in 5 years. Looking forward to hearing about alumni and camp. Any news helps on the inside. Just have to focus on each day to get through." (Ryan...still so funny). **Jack Campbell ('98-'11)** is living and working in New York City. He says, "anyone wants to crash on my couch they're welcome." **Shane ('83-'89 / '01-'03)** and **Perrin (Cothran) Chick ('84-'00)** touched base. **Perrin, Anne Cothran (80s)** and future camper Amelia cruised the Greek Islands during July this year. Soon there will be 4 new Engles joining the Billings family! They are 9, 5, 2.5, and 1.5 years old so the Billings staff have some time to prepare before all four overrun camp!" **Shane Freshour ('99-'05)** spent two weeks at camp and shares, "I enjoy coming home as often as I can and had the pleasure of taking my eight year old daughter to camp this summer. She loved it and is already talking about being a CIT and wants to go all summer next year. Proud Papa!" **Chase Hayden** is a student Nurse from Linn-Benton Community College in Albany, Oregon who was at camp during the summer of 2014 and says "Be prepared for me to return as a full Registered Nurse and take up some 2 week slots for you!" **Alecia Livingston ('85-'88)** says "My son, CJ, attended his first camp session this summer and had an awesome time in cabin 7:-)" **Sheila (Jurras) Mitchell (50s)** recollects many fond memories at Camp Billings with **Uncle Ralph, Uncle Charlie** and the boat test (still going strong). She has spent her career in public service in the State of Florida, serving Florida's elders. Currently, she is one year out from retirement and is a Regional Manager for Florida's Department of Elder Affairs. **Joseph Picarello ('99-'05)** sums it up so well: "I love this camp." **Andy Schneider ('95-'09)** is enjoying his baby Caleb. **Sandra Smith ('40s-'50's)** reported on July 17, 2015 that all of her grandchildren were at Camp Billings at that moment! **Jonathan Slavuter ('96-'03)** lovingly rambles: "I still love Billings more than I can express. ### Special Requests for Those Staying At Billings

Unless you specifically request otherwise, men and women will be assigned to separate cabins. We will also try to group people who were at Billings during roughly the same years.

Families with children – we will make best efforts to accommodate families with children on Girls Senior Row. Keep in mind that there will be some noise at night with fireworks on Saturday and old friends catching up.

If you want to share a cabin with family or friends, please include their names on your registration. We will do our best to honor requests. Because space is limited we need to get everyone's registration before we can make assignments. The best way to ensure you share a cabin is to encourage your friends to sign up early!

The registration fees are collected solely to cover the costs of hosting the reunion and if there are any excess proceeds, they will be donated to Camp Billings. If the rates represent a problem for you, please do not hesitate to contact Elissa Malcolm at

(603) 682-1452 or [elissa.malcolm@gmail.com](mailto:elissa.malcolm@gmail.com)

to make special arrangements. All requests will be handled confidentially. We don't want anyone to miss out due to expense.
